

2014 ADA Ramp Replacement Project

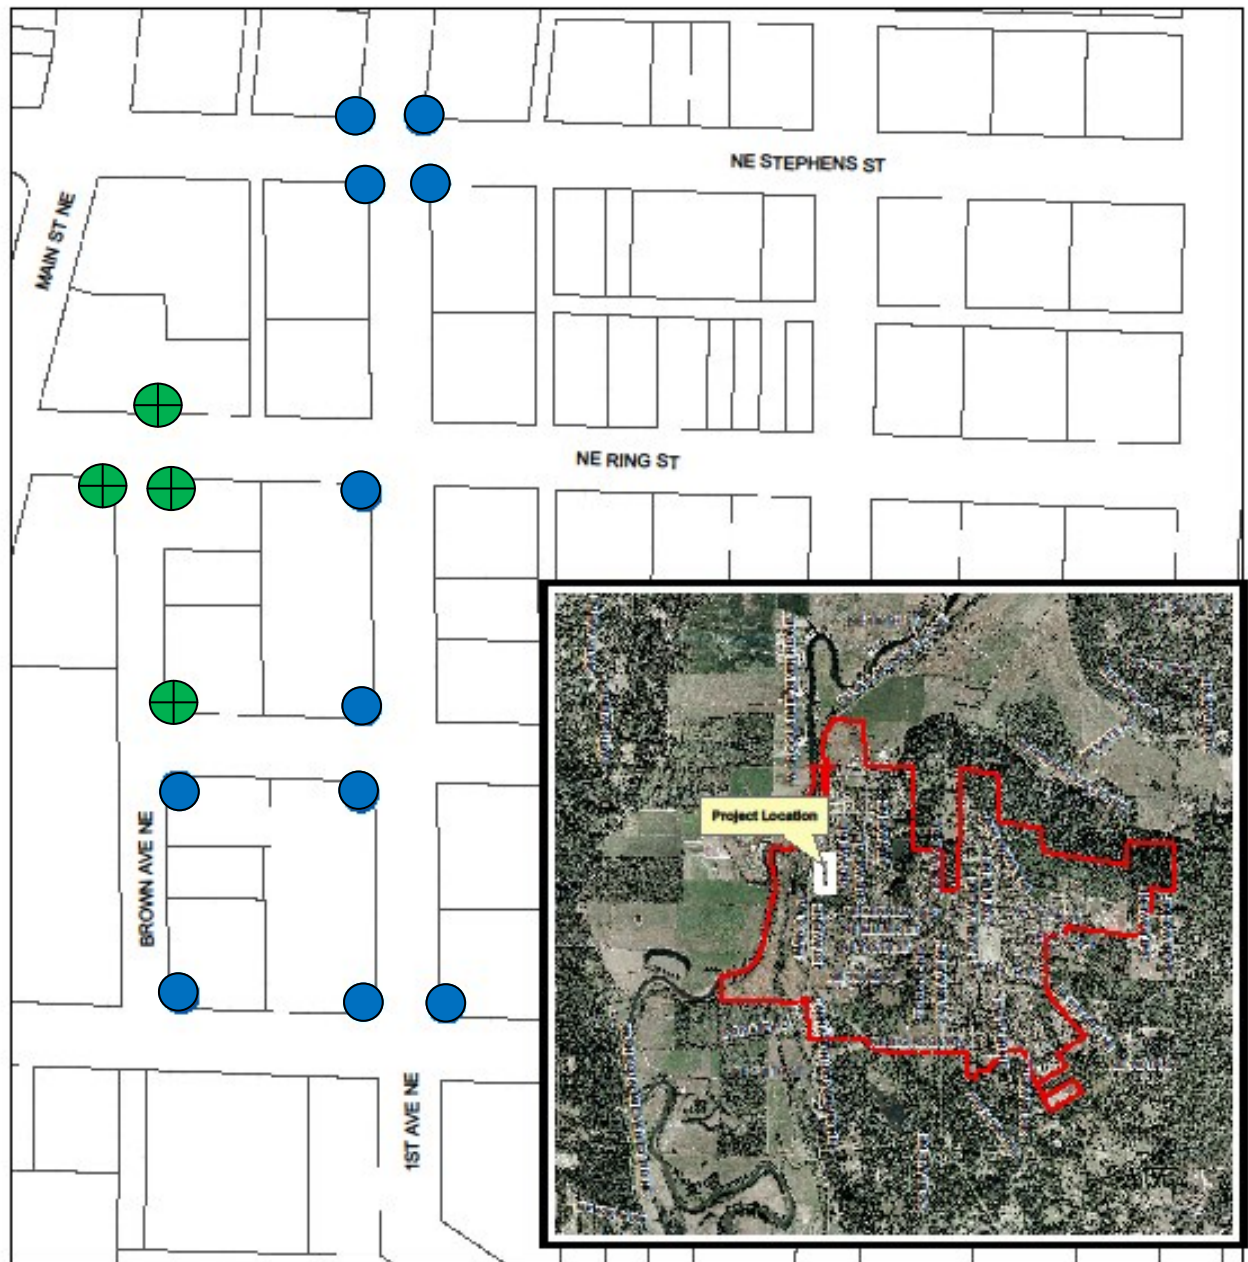

**ANTICIPATED START DATE:
MARCH 2014**

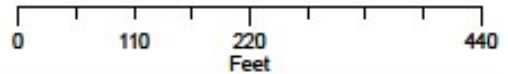

The King County office of Housing and Community Development has awarded the City of Duvall grant funding to design ADA accessible curb ramps, and \$60,000.00 of funding to remove and reconstruct existing curb and walkway barriers in the vicinity of NE Ring Street and Brown Avenue NE. 15 locations have been identified for replacement, with the four scheduled for replacement in 2014.

The new ADA ramps will provide improved access to local businesses and the Metro Bus Stop. The project is anticipated to begin in mid-March of 2014 and will be completed in phases as funding is available.
